

Queen's Nurse Leadership Programme

A leadership programme for Queen's Nurses (QNs) is now open to Nurses, Health Visitors, Educators and Managers working in the community setting.

This ten day bespoke leadership programme has been designed to develop participants into future senior leaders.

The Programme themes are:

- ✦ Self (Transformational) - Personal Leadership Development
- ✦ Organisation - Understanding health & social care structures, service and policy
- ✦ Team - The development of others – people management and staff engagement
- ✦ Towards the Future - Consideration of future career aspirations

Programme fees are fully funded by The QNI, travel and any additional overnight stay are to be paid by the participant/employer.
